Ref. No. .... 4824/SVPC/2026

Date- 13/01/2026

## Certificate

In the desirable document list that is to be uploaded for taking extension of approval from AICTE for BBA/BCA course for the session 2026-27, desirable document list serial number 20 named **“Green and eco-friendly campus which focuses on energy efficiency by preserving natural resources for healthy living and a good learning environment.”** it is hereby declared that the institution has Green and eco-friendly campus which focuses on energy efficiency by preserving natural resources for healthy living and a good learning environment.

Sardar Vallabh Bhai Patel College Mandleshwar has taken the following Waste Management and environment improvement measures to ensure a sustainable Green Campus. These initiatives are designed to enhance our campus environment, reduce our ecological footprint, and promote responsible waste disposal and recycling practices.

Key Measures:

### 1. Segregation of Waste:

- Bins will be provided for the segregation of dry and wet waste in all departments, and common areas.
- All students and staff please make sure to dispose of waste responsibly by using the designated bins.

### 2. Recycling Initiatives:

- Collection points for recyclable materials (paper, plastic, glass, etc.) will be set up throughout the campus.
- Encouraging all students and staff to support and participate in recycling programs.

//2//

### 3. Awareness Campaigns:

- Regular workshops and seminars on sustainability, waste reduction, and environmental protection will be conducted.
- Interactive sessions with experts to help students and staff understand their role in maintaining a green campus.

### 4. Reduction in Single-Use Plastics:

- Efforts will be made to minimize the use of single-use plastics across campus, with alternatives being introduced wherever possible.
- The institution through NSS and other clubs conducts sensitization programs on the harmful impact of single use plastics and mandates all the students to avoid bringing non-bio-degradable plastic items to the institution, which include plastic bags, cups, plates, small drinking water bottles, straws and sachets.

### 5. Green Campus Initiative:

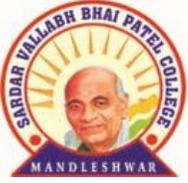

- Tree plantation drives, green spaces development, and landscaping improvements will continue to enrich the aesthetic and environmental quality of our college grounds.

### 6. Clean Air Initiatives:

- We encourage our students and staff to use public/ college transportation, instead of using individual vehicle, an activity that will control air pollution and strengthen social interaction. The students are given strict instructions to maintain the campus clean.
